

Frame Set 2-Port, for Keystones, design capable TAE

Description

Takes 2 RJ45 keystone modules

Housing material: aluminium diecast

40° slanted outlet

Design capable, compatible to the **TAE** central plates of switch range manufacturers

Delivery without modules and central frame

General data

Assembly arrangement	base element
Utilization	other
Support ring	True
With dust cover	False
With hinged lid	False
Imprintable label	with labeling field
With imprint	False
Mounting method	surface-mounted
Material	Plastic
Material quality	other
Halogen free	False
Surface protection	other
Surface finishing	-
