Branching connector set

SV17

Code	SV17
GTIN	6438100359119
Name	Branching connector set Al 10-35 mm ² / Cu 1.5-25 mm ²
Description	SV17 includes three phase connectors KE10.1, one neutral connector KE10.3 and a 0.35 m long 16 mm ² earthing wire with a cable lug. In addition, the kit includes three connector covers PMR2680 for protecting the phase connectors from excessive humidity and water condensation. Cover will give extra tolerance against rough conditions. It is also designed for installations where double insulation is a requirement or if the voltage is continuously on.
